**Tamalpais Bancorp Elects
Larry Rosenberger to Board**

**Former Fair Isaac CEO Brings
Wealth of Research, Strategy Development Experience
To Marin Financial Services Company**

San Rafael, CA—October 27, 2008—[Tamalpais Bancorp](#) (NASDAQ: TAMB) today announced that Larry E. Rosenberger, former president and CEO of Fair Isaac Corporation, has been elected to the Board of Directors of the parent company of Marin County-based [Tamalpais Bank](#) and [Tamalpais Wealth Advisors](#).

He was also elected to the Board of Directors of Tamalpais Bank.

At Fair Isaac, Rosenberger directed dramatic revenue growth during his tenure (1991-1999) as CEO, when the then San Rafael-based provider of world-class analytics increased its annual revenue from \$31 million to more than \$276 million.

Currently, Rosenberger serves as Fair Isaac's first Research Fellow, working on research projects in the field of analytic science. From 1999 to 2007, he was responsible for the Company's Analytic Research and Development Unit, focused on early stage innovation in exploratory, predictive and decision analytics applied to helping Fair Isaac's clients, in numerous industries, use data and domain expertise to make better decisions on their prospects and customers.

"Larry brings a unique set of industry specific skills to both Boards," said Tamalpais Bancorp president and CEO Mark Garwood. "His background in research, analysis and engineering will provide us with an unsurpassed level of experience and expertise which

will be beneficial as we enhance our [business banking](#) solutions and data management strategies.”

Rosenberger holds a Bachelor of Science degree in physics from M.I.T. and a Masters of Science degree in physics, and Masters of Science and Masters of Engineering degrees in Operations Research from UC, Berkeley.

Rosenberger, a resident of San Rafael, spent 33 years with Fair Isaac before assuming his position as Research Fellow. During his career, he has been responsible for the development, production and marketing of some of the Company’s most advanced products.

In keeping with the community commitment of Tamalpais Bank, Rosenberger previously served on the boards of the Marin Education Fund and the Marin Community Foundation, and he currently chairs the board of the Marin-based Buck Institute for Education that focuses on project based learning. He also serves on the boards of several small, privately-held, for-profit companies.
